

For Immediate Release

People on the Move: Georgia Young

Georgia Young has recently accepted the position as Corporate Sales Director for Syringa Wireless LLC (www.syringawireless.com). Georgia will be servicing Pocatello, Idaho Falls and Twin Falls markets.

Georgia understands the importance of meeting the needs of the customer. She offers personalized attention to her business clientele to insure that they're getting the best service value for their dollar. Every client will be provided a customized business plan that will include a monthly billing analysis and product usage training.

Georgia was previously employed with KIFI Local News 8 for 4 ½ years as an Account Executive. Prior to that she was a Regional Account Executive with Experian where she had the opportunity to launch two new branch offices and manage an account base that covered all of southeastern Idaho. Georgia has been in the sales and marketing field for most of her career.

Georgia can be reached at 478-7464 to learn more about Syringa Wireless' comprehensive business services.

About Syringa Wireless:
